TERMS OF TRANSIENT MOORAGE

All vessels shall be moored in designated transient mooring areas unless prior arrangements have been made with the harbormaster.

All vessels moored in City of Craig's harbors are required to be seaworthy and operational at all times.

Moorage for said vessel shall be paid in advance unless prior arrangements have been made with the Harbormaster.

Vessel owners with moorage owed that becomes 60 days or more past due shall lose the privilege of mooring any vessel in the City of Craig's harbors and will be subject to being cited and/or having their vessel impounded until all moorage, citations and impound fees have been paid.

Moorage that has to be billed out will be done so at the monthly rate along with a five dollar billing fee. Rates for long term moorage apply only when they are paid in advance.

I hereby accept moorage for the above described vessel in one of the city _____'s boat harbors and I agree to conform to all rules, regulations and ordinances covering these facilities _____.
