Press Release 030: Recent Case Attributed to Craig Incorrectly

For Information: Brian Templin, 907-826-3275,
planner@craigak.com

On October 2, 2020 the Craig Emergency Operations Center was notified by Public Health staff that a positive COVID-19 case in Alaska had been attributed to Craig and reported on the DHSS data hub. This reporting is incorrect. The case is an Alaska positive case, but the case is not located in Craig or on Prince of Wales.

The State of Alaska DHSS is working to correct this on the data hub, but due to workload it may take some time to correct.

For current information regarding cases on Prince of Wales (including cases in Craig) call the Prince of Wales COVID-19 Hotline at 1-888-894-1321. This hotline is updated daily, Monday through Friday by Craig Public Health.
