Press Release: 021, Fourth Confirmed Case of COVID-19
Craig, Alaska

For Immediate Release

Craig City staff was notified by Alaska Public Health on Saturday, June 20th of a fourth confirmed COVID-19 case in Craig. Public Health and the Alaska Division of Epidemiology are currently conducting a case investigation.

The Craig Emergency Operations Center (EOC) was notified that the fourth case is an out of state worker. The patient is now in isolation. Public Health will conduct an investigation and will contact any persons who were in contact with the patient. Origin of this case is contact with another Craig COVID-19 case.

Public Health reports that the patient followed state mandate and guidance protocols since the patient's arrival in Alaska.

Of the six confirmed POW cases to date, five are now classified as recovered.

The Craig Emergency Operations Center staff will continue to meet and will determine what actions need to be taken in light of the confirmed case in Craig.

With summer upon us, we strongly advise residents to follow all health mandates and advisories to reduce the risk of spreading the virus in Craig. These measures include:

- Maintain good social distancing at all times keeping at least six feet between persons
- Keep all trips for essential services to a minimum to avoid contact and wear a face mask/covering when you do need to make essential service trips
- Stay home as much as possible
- Wash your hands frequently and avoid touching your face as much as possible
- If you have symptoms or have a temperature of 100.4° F or higher contact your primary healthcare provider and self-isolate immediately

The City of Craig Emergency Operations Center will continue to work with Alaska Public Health and will provide updated information as it is available.

The City of Craig will continue to monitor COVID-19 reports and information and provide links and up to date information about the City of Craig response at the city's website. For information go to www.craigak.com or www.craigak.com/covid.
