

Date: September 8, 2020
From: City of Craig Emergency Operations Center (EOC),
Contact: Jillian Carl, Public Information Officer, 826-3275
Press Release: 027, Craig Aquatic Center Reopening

For Immediate Release

The City of Craig is happy to announce that the Craig Aquatic Center is back open and welcoming patrons.

Since March the Aquatic Center has been fully cleaned and sanitized. From June through August the pool basins at the lap pool and the kiddy pool were resurfaced and are brand new.

The Aquatic Center is open Monday – Friday from 5:00am-8:00 pm, and Saturdays from Noon-4:00 pm. The Aquatic Center has daily lap swims, tot swims, open swims as well as fitness room hot tub and dry sauna use. Please note the following operational changes:

1. The fitness room is closed daily from 12:30-1:30 for cleaning and sanitizing.
2. There is a lap swim now on Saturdays from 12:00pm - 1:00pm
3. Water aerobics are on Mondays and Wed from 8:30a-9:15am
4. Currently due to Covid-19 there are some activities such as the big toy are put on hold.

The city will follow guidance issued by the State of Alaska for the operation of swimming pools. Accordingly, we ask that all patrons wear a mask when they enter the building until their body temperature is recorded using a touchless thermometer. Masks may then be removed. COVID-19 guidelines are posted in the front window of the lobby.

Pool activity schedules are available for pick up at the pool lobby.

We are very excited to be back open and hope to see you soon!
