PRINCE OF WALES
Health Network

The State of Alaska's Office of Substance Misuse and Addiction Prevention (OSMAP) and the Prince of Wales Health Network are hosting a community cafe to discuss opioid and polysubstance misuse on Prince of Wales Island.

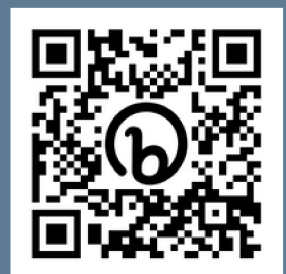

Come share your experiences and thoughts about opioid and polysubstance misuse in your community. Your input will support local and State level planning efforts to address these issues.

All community members are welcome!

RSVP Encouraged: <https://bit.ly/3VwM7ub>
