Change Order on the South Cove Improvement Project-Jon Bolling stated the change order is needed due to requirements issued by the second of two grants that are paying for the cost of the South Cove Harbor project. The second grant agreement calls for implementation of specific Davis-Bacon contract language. That language is missing from the solicitation the city issued to secure bids for the project. The attached change order corrects the problem by implementing public contract wage and reporting requirements consistent with the requirements of the second South Cove Harbor grant. The result is a net increase in the contract amount of \$3,482.

PIERCE/HEAD: moved to adopt Order No. 1 of the South Cove Harbor Improvement Project. MOTION CARRIED

Grant agreement with U.S. Forest Service-North Fork Lake Dam-Jon Bolling reported the Prince of Wales Resource Advisory Committee (RAC) approved the North Fork Dam raising project and forwarded it to the Tongass Forest Supervisor for approval. The project was approved. The City of Craig will receive Title II funding in the amount of \$275,000 to raise the dam at North Fork Lake.

PIERCE/HEAD: moved to authorize staff to sign Grant Agreement No. 10-DG-11100500-301 with the U.S. Forest Service for improvements to North Fork Lake Dam. MOTION CARRIED

APPEAL OF SUSPENSION OF CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY-VEHICLE FOR HIRE-

Mr. Music was not here.

Jim See suggested that Island Ride sales tax account be audited, that there be a requirement through the process of random drawing for drug testing the taxi drivers and a requirement for pre-employment drug screening. Jon commented that this was a reasonable thing to ask after a company has been suspended. Staff will check with the city's attorney about making changes to the municipal code, Vehicles for Hire.

PIERCE/KUNTZ: move to uphold the two-week suspension of Island Ride with an amendment that their sales tax account be audited.
MOTION CARRIED
