

PUBLIC NOTICE

LANDSLIDE OUT PORT SAINT NICHOLAS RD.

On the evening of Monday, November 20th, a mudslide blocked a portion of Port Saint Nicholas Road near 62 Pit. Work is currently underway to clear the debris. One lane is partially cleared and will allow for the intermittent passage of traffic while work continues to clear the remainder of the road.

Additional slides may occur and drivers in the area are encouraged to stay vigilant of additional slide activity: tumbling rocks, streams running brown, and sounds of shifting earth, etc.

If you have any questions, comments or need additional information, please call 826-3275, or stop by the Planning Office in City Hall.
