**Please read and sign on the back page, acknowledging the following terms:**

- When a permanent slip opens and your name is next on the waitlist for that slip size category, you will be notified by mail or email. The applicant will have thirty days from the date of the letter to respond and accept or reject the offer in writing. If the slip is accepted, the applicant will have 15 days to complete an Assigned Moorage Agreement and pay for the slip at the Harbormaster's Office.
- After two unaccepted stall offers, the applicant will be removed from the wait list.
- All waitlist applications and changes to a waitlist application must be done in writing, signed and dated by the applicant and harbor staff.

- Changes to the wait list size category will move you to the bottom of the list for the new slip size.
- Permanent slips may not be sublet to other boats. If your slip will be unoccupied for an extended period, please let the harbormaster know so we can use the slip for transient vessels.
