Dear Planning and Zoning Committee:

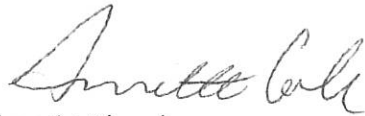

RE: 4/27/23 Meeting

The Craig 7th Day Adventist Church is requesting an extension of time permitted to build the 40 foot tower for a radio station. It was not to be constructed until the FCC license was approved. We have been waiting an extensive period of time for that processing. The FM Broadcast permit was granted January 6, 2023.

If there are any questions, please contact Tracy Vaughn at (360) 789-2956.

Thank you for your consideration,

Annette Cole
