Additional	\$7.00/can/week	\$28.00/pick-up/week	\$28.00/pick-up

II. NOTES

- (1) Garbage service outside municipal boundaries will be provided at the discretion of the Director of Public Works. Charges will be on a case-by-case basis.
- (2) Arrangements may be made for regular pick-up of garbage in cartons, boxes, bales, or other non-standard units at a rate of \$52.00 per cubic yard subject to the approval of the City.
- (3) The minimum sanitation charge for residential, commercial and industrial customers shall be the rate for one pick-up per week. All locations in the City of Craig that receive water and sewer services will be charged garbage pick up fees at least at the minimum charge.
- (4) Multiple family dwelling units and mobile home parks will be charged for residential service per unit regardless of the use of dumpsters or cans. However, the per-unit residential service charge for multiple family residential developments of three (3) or more dwelling units and mobile home parks that use dumpsters shall be reduced by ten percent (10%) per unit. Multiple family residential and mobile home parks that fall under this provision will be billed at the "Multi-unit Dumpster" rate in the schedule above.
- (5) The City of Craig will provide residential garbage pick-up services free of charge, one can per week, to residents who are 65 or older. This exemption applies only to the address at which the customer resides.
- (6) Charges for additional cans and pick-up services will be charged at \$7.00 per additional can per pick up for residential customers and \$28.00 per pick up for dumpsters.
- (7) Additional charges of \$7.00 will apply to cans over the maximum rate of 38 gallons and or exceeding 75 pounds as stated in the City of Craig municipal code 8.04.020.
