

# Craig Community Garden Rental Agreement

The City of Craig has raised garden plots available for rent. The raised gardens are located across the street from the Craig Aquatic Center. Please park in Craig Aquatic Center parking lot to access. There is one spot in front of the garden that is a 30-minute loading zone. Rent will be for one season with yearly rental rights to those whom rented the prior year and kept up their plots. We currently have 15 plots available with the hope to build more. All rentals come with access to water. You must provide your own materials such as fertilizer, seeds and equipment.

5. \_\_\_ If I did not participate in winter prep (putting down seaweed, dead fish, compost) I will be responsible for fertilizing my own soil in the spring (estimated to be \$100 minimum cost).
